

## Heal the Healer

A weekend Retreat with Janice Johnson & Pierre Garraud  
September 20 - 22, 2019  
High Meadow Farm: 22 Black Road, Freedom, NH 03836 , NH

Pierre and Janice are known for their amazing healing work and teachings. Together they are a Yin Yang dynamo, a loving couple who have committed their lives on being of service. Together they bring 30 years of experience in the healing arts, meditation and native teachings from Perú. They are both master healers and kundalini activators.

Heal the Healer is a workshop dedicated to people who want to expand their innate healing talents, intuition or are simply ready to go to the next level within their healing framework. Pierre and Janice will share an array of great healing techniques they have compiled from working with native healers -“curanderos”- of Perú as well as their own method to keep a *balanced self-care program*.

Healing tools, how to stay grounded and protected and more. They are masters at working with the group's energy and whatever Spirit wants for every individual that shows up for this great occasion.

The workshop starts on Friday, Sept 20, 2019, at 3 pm ending on Sunday, Sept 22, 2019, at 5 pm. We will be staying at a property in NH with a 16-bed capacity, so register ASAP as this workshop will go fast.

Workshop fee: \$300.00 \* Lodging & Food: \$200.00 \* Total: \$500.00

We will rent a home in the Lakes Region or Conway area... TBD. We need a minimum of 12 people to make this happen, please share the flyer with your friends. No healing experience needed just bring your amazing YOU!

BOTTOM LINE... we are all healers, some of us just need the tools and... to be reminded!  
Couples and singles all invited!
